

Grant tracker: two layouts to copy

Source: Etsy listing "Federal Grant Tracker Pro", file Grant_Tracker_Pro.xlsx, tabs "Active Applications" and "Awards Tracker".

Tab: Active Applications (the template has room for 200 rows)

Grant Name	Sponsor	CFDA #	Amount Requested (\$)	Submission Deadline	Status	Principal Investigator	% Effort	Days to Deadline	Notes

Also made-up example entries. This page shows two layouts, not the whole workbook. The paid file has 10 tabs; this excerpt does not show them all and makes no claim about the reference data in them.
